Please note we have changed the way we utilize our Prayer List. After two months, names will automatically be removed from the printed list. This is to ensure that the newest requests for prayer are not being missed. We recognize that your loved ones may still need prayer. Everyone is encouraged to continue praying for all of our loved ones, even if their name is no longer printed.

Please contact the church office if your loved one needs to be added back to the printed list. If you wish for your loved ones name to remain on the list, please contact the church office every 2 months, so we know they need to remain on the list.

*Please keep us updated with the name(s) you have placed on the Prayers of the People.

**Beginning in August, individuals will be removed from the prayer list after 2 months. You will notice this change in October. If you wish for someone to remain on the list, please contact the office at (618) 632-6168.
