

2021 USO AND FISHER HOUSE DONATIONS DRIVE
In Conjunction with the Southwest Illinois Chapter of MOAA

A DIFFERENT CAMPAIGN

In a few weeks, St. Michael's will have the official start of the 2021 campaign to support the USO of Missouri and St. Louis Fisher House. Awful 2020 is now in our past. And we all pray that the past is not prologue (= preceding distinguishing event or development). But the pandemic is still with us for an indefinite time. So we will conduct a slightly different campaign this year.

The campaign will be only two weeks in duration, with a start day to be set soon in conjunction with the MOAA chapter campaign. Checks will have to be sent either directly to me at 7342 Timberpoint Court, Fairview Heights, IL 62208 or to the church at 111 O'Fallon Troy Road, O'Fallon, IL 62269, or they may be dropped off to Erin at the church office or given to Co Soulé on Sundays. Efforts by you to solicit donations from persons or organizations outside the church (and I really hope you will try to solicit extra giving) should be started as soon as you read this announcement.

In the hope that past is prologue in this one respect; i.e., that St. Michael's is able to achieve the same level of success we enjoyed last year, the goal is again set at \$2,000 of combined contributions to both organizations.

If you desire to make your contributions before the start of the official campaign, please do so. Make your separate checks payable to the **USO of Missouri** and to **St. Louis Fisher House**, and please accept my early thanks.

For this 2021 campaign, let's make it easy. We'll use three S's: Short, Smooth, and Successful!!!

Nick Wartonick, 618-628-0859 (H), 618-409-6907 (M), wartonick-59@charter.net
